Youth Killed In Car Crash After Speed On Road

Local People Are Involved In Collision, Escape Serious Injuries

Speed was blamed for the accident just west of Floriston yesterday morning which cost the life of a youthful unindentified hitchhiker and injuries to two other persons.

The 1954 Ford was driven by Gerald Norman Brewster, 18, Portland, Ore., who is in the Washoe Medical Center at Reno undergoing treatment. Also injured less seriously was a second hitchhiker, Glenn L. Sprott, 18, a navy man, who had an injured knee.

State Patrolman Martin Sturcke said the car, traveling east at a high rate of speed, left the road and plunged into the Sierra Pacific Power Company flume below the highway at that point. The flume was demolished.

The unidentified passenger was thrown over the flume into the rocks. He suffered a fractured skull and broken neck before the huge stream of water, loosed by the broken flume submerged his body. The body was taken to the Truckee Colonial Mortuary while officers continue their investigation.

Brewster was being held on a charge of car theft after a check by the highway patrol revealed the vehcile was stolen at San Francisco. It wsa registered to Buddy Young.

Sturcke was assisted in the investigation by Patrolman William Gautsche.

Sprott was picked up near Vallejo, officers learned and the unidentified youth boarded the car near Colfax. It was learned that a third man was alos picked up but asked to be let out when he become alarmed at the way the car was traveling.

Brewster said the car belongs to his father, but Sturcke said it was registered to a Buddy Clark in San Francisco. The dead youth, Brewster told officers, was picked up near Colfax and Sprott had been riding from Vallejo.

LOCAL PEOPLE ESCAPE

Eight Truckee residents, occupying two vehicles, escaped serious injuries at 6:15 Monday evening when cars driven by Joe Mattos and Dr. George A. Hahn collided near Boca on Highway 40.

State Patrolman Carroll Maynard said the Mattos car, occupied by the driver, Alvah Hooper, Jack Pierce, William Curran, Reg Smart and T .F. Sheehan, was proceeding east toward Reno where the group planned to attend a Rotary Club gathering, when it was struck headon by the Hahn car traveling in the opposite direction. Dr. Hahn was accompanied by Mrs. Hahn.

Following the impact, the Mattos car traveled a distance of 285 feet, careening into an embankment but fortunately did not overturn. The occupants were shaken up, but returned to Truckee and made the trip in Reg Smart's car.

The light car, driven by Dr. Hahn went out of control for a distance of 81 feet and was badly damaged. Patrolman Maynard said the Hahn car apparently was on the wrong side of the highway at the time of the collision.

MINOR INJURIES

Minor injuries were suffered by Elsie Miller and Mrs. Myra Dixon, both of Richmond Saturday night when the car driven by the former got out of control and crashed into the rocky bank just east of Donner Summit. A mechanical failure was blamed for the mishap. Both women were treated and released from Tahoe Forest Hospital. Patrolman Maynard made the investigation.

TIRE BLOWS OUT

Joe Carl Bledsoe, 19, and James Berry, 13, of Carmichael had minor injuries after the car in which they were riding blew a front tire on Donner grade and crashed into the embankment Tuesday morning. State Patrolman William Gautsche made the investigation.

MORE FISH PLANTED IN LOCAL WATERS

The state department of fish and game is winding up its fish planting program for this season, Charles Osburn, president of the Truckee Outdoor Sportsmen, who has been active in the project, reports.

This week, the department planted an additional 21,000 catchable rainbows in the Truckee river and a similar number in Donner Lake, bringing a total of 50,000 in the river and 25,000 in the lake. Other streams and lakes throughout the district have been generously stocked during the past few weeks.

Reynolds Guests—

Mr. and Mrs. Vern Breilly and sons, Dan and Richard, of Sacramento returned to their home on Sunday after visiting her parents, Mr. and Mrs. B. W. Reynolds.

Marriage License Issued—

Gilbert D. Moore of Truckee and Sandra J. Hamblen of Citrus Heights obtained a marriage license at Reno, last weekend.

Lions To Present Benefit Show At Local Hall Soon

"You Can't Beat Fun!" and the Truckee Lions Club is out to prove it!

That is the name of the big musical variety stage show, featuring a cast of more than 60 local people, which the Lions are sponsoring on Friday and Saturday, August 27 and 28, at the Capitol Hall in Truckee.

Purpose of the show is to raise funds which the Lions use in their welfare work for underprivileged children, including eye glasses and medical care, and help for the blind.

The setting is a night club called the Hi-De-Ho Club, where 10 local businessmen are featured as the Broadway Butterflies and their boy friends, the Butter and Egg Men. The ladies add to the hilarity with a syncopated wedding and a comedy version of a fashion show, while a touch of "glamour" is added by 30 "Broadway chorines" in colorful costume.

Miss Pat Casey of Los Angeles arrived in Truckee Monday to assist the Lions in the production of the show. Miss Casey has had more than 20 years experience in show business, including stage, screen, radio and TV, and has produced "home town" shows throughout the United States and Canada, as well as writing and producing some army shows during her six years service in the Women's Army Corps.

Anyone interested in helping with the production, either on-stage or off-stage, is cordially invited to contact Miss Casey at the Truckee Hotel. No talent is necessary—the only requirement is the desire to have fun. Teen-age girls are needed especially.

King and Queen Of Fun Will Be Chosen Here For Lions Benefit Show

You may stuff the ballot box as much as you like in this election!

Truckee is electing a king and queen of fun and their royal family. It is all a part of the promotion for the Lions Club show, "You Can't Beat Fun," and all local children under six years of age are eligible to participate.

To enter a child, simply write his or her name on the back of a small snapshot and leave it at the Truckee Hotel or at Heller's Variety Store. Snaps need not be recent, they will not be "judged" in any way, and they will be returned to you after the show. Each snapshot will be attached to a "vote box" advertising the Lions show and will be placed in a local business place.

A list of all contestants and their polling places will be posted in the window at Truckee Mercantile.

Six prizes to be awarded to the six children polling the most votes will also be displayed in this window. For further information, call Mrs. N. F. Dolley at 12-W.

Mrs. Patterson Feted At Party By Patrol

A party was given in the Sleepy C Bar B Ranch at Hobart Mills, August 11 in honor of Mrs. Thomas Patterson, following her retirement from the California Highway Patrol office.

A barbeque dinner was served and the feted guest was presented with a gift.

Among those present were Captain and Mrs. Richard Langer, Les Kelly, Mr. and Mrs. Fred Walborn and children of Roseville, Mr. and Mrs. Earl Crane of Alta, Captain J. Blake of Grass Valley, Mr. and Mrs. Ed White of Nevada City, Mr. and Mrs. Al Mefford of Sierraville, Roy Stallard, Mr. and Mrs. William Gautsche, Rolland Gautsche, Mr. and Mrs. Carroll Maynard, Sergeant and Mrs. E. Freeman, Tom Patterson, William Painter, Miss Dolores Danley

Back On Duty—

Patrolman William Gaustche returned to work on the California Highway Patrol Tuesday after a two weeks vacation.

Mahne Guests—

Guests at the A. Mahne home last week were Mr. and Mrs. Norman Satchell and daughter, Gayle of Los Angeles.

Lassen Man Will Assume Duty As Truckee Ranger

Edward Grant Will Replace Pike Boehm Here As Ranger

Effective about October 10, Edward A. Grant of the Lassen National Forest will be transferred and promoted to district ranger of the Truckee district of the Tahoe National Forest, according to L. A. Rickel, supervisor of the Tahoe Nation Forest. He will fill the position left vacant by E. E. Pike Boehm's transfer to the Lassen Forest this spring.

Ed Grant's career in the forest service started in 1926 as a guard on the San Bernardino Nation Forest. He received his first formal appointment as assistant district ranger in 1929. Grant has served as district ranger on three districts involving both the San Bernardino and Cleveland National Forests.

In 1941 he was assigned as fire control officer of the Angeles Nation Forest. He was transferred in 1947 as officer in charge of fire control and recreation of the Lassen National Forest and has served in that position to the present time.

Grant's vast experience makes him particularly qualified to administer the heavy Truckee district load in fire, recreation, timber and grazing. Mr. and Mrs. Grant and daughter, Elaine, will plan to establish headquarters at Truckee following the current fire season.

JOSEPHINE BACCI RITES WILL BE IN .. CAPITAL SATURDAY

TAHOE CITY—The body of Mrs. Josephine Bacci, 70, a resident of Tahoe for the past 25 years, who died at the home of her daughter, Mrs. Sarah Hunter yesterday morning, has been shipped to Sacramento by the Truckee Colonial Mortuary.

Mrs. Bacci for years operated Bacci's Inn, a popular eating place at Lake Forest. She had been in ill health for some time and while death was not unexpected it came as a shock to her many friends throughout the area.

Funeral services will be held on Saturday at 10 a.m. preceded by a rosary which is slated for 10 a.m. Friday in the Cippa Nicholetti Funeral Home in the capital city.

The deceased is survived by her two daughters, Mrs. Hunter and Mrs. Kathryn Maderos of Sacramento and sons, Joseph and Frank Bacchi, also of Sacramento. There are eight grandchildren.

Events Are Scheduled For Truckee Cub Scouts

A father and son's overnight camping trip is being programed for the Cub Scouts for the night of August 21. Parents are asked to contact Cubmaster Glenn Lee at 141-W after 6 p.m. for details.

On August 31, the annual picnic and weiner roast will be held at Donner Lake with swimming starting at 6 p.m. and the picnic at 7 p.m.

Transient Jailed After Beating Is Reported

Norman Owen Troxell, 25, was sentenced to serve 30 days in jail Monday by Judge F. W. Wilson following his appearance in the Truckee Judicial Court on a charge of assault against John North, 55, Reno. Troxell, a transient, was accused of severely beating North on a freight train in what Constable N. F. Dolley described as an attempted robbery.

North had $3.80 when taken to the Tahoe Forest Hospital for treatment.

Troxell was taken from the freight train at Norden by Dolley and Patrolman Roy Stallard and is said by officers to have admitted beating North.

Lease House—

Mr. and Mrs. Robert Roth have leased the Donner Lake home of Mr. and Mrs. Martin Johnson, now living in Sacramento. Roth recently replaced Orval Vaughan at the California Inspection Station here.

SUNBEAMS

By WALTER M. BARRETT

Another winter is approaching and still nothing has been done to remedy the sorry condition of the old rocking stone tower near the Veterans' Memorial building. Evidently due to the lack of interest, no provision was made or requested for financial assistance from the county to restore or even eliminate the present danger of the ancient structure. There are a number of people who do not care particularly whether the tower stands or falls, others actually oppose restoration, but from a standpoint of general public interest, we believe that something must be done. The ancient legend surrounding the rocking stone excites interest of tourists and even local residents. While the tower has nothing whatever to do with this legend, it does serve as a landmark and in a community depending upon historical remembrances and relics as one of its chief assets, we are convinced that either the tower must be replaced with perhaps a more adequate structure—and incidentally much more expensive than the estimated $2000 required for remodeling—or it must be moved. Certainly it canot be allowed to crumble and continue as a danger to anyone closely approaching it.

Many Swimmers Attempt Tahoe; Girl Sets Record

TAHOE CITY—Jose Corteniese, 35-year-old Los Angeles swimmer, failed in his attempt Tuesday to swim the length of Lake Tahoe.

Corteniese was in the cold water from 12:41 a.m. until 12:10 p.m. nearly 12 hours before he was pulled from the lake after suffering one cramp after another.

Dominic Spaseto, an unheralded Oakland resident, made a futile attempt to swim the lake's distance Friday night but lasted only 35 minutes. Raymond Peterson, 19, Fair Oaks, lasted about an hour in his attempt to swim across the lake from Meeks Bay on Thursday.

Glenda Ortlit, 18-year-old Oakland girl, set a new record for women in her Meeks Bay to Cave Rock swim Sunday morning, negotiating the chill crossing in just 45 minutes longer than the time of seven hours, 14 minutes and eight seconds, set by Bert Capps of San Francisco two weeks ago.

Lois Gordon of Oakland will make an attempt to swim the crossing from Meeks Bay August 29 and Fahmy Attalah, Egyptian student at the Univesity of Southern California, is training for the swim from Kings Beach to State Line on September 10.

Fred Main, commodore of Coast Guard Flotilla 35 at Tahoe, this week issued a proclamation making it mandatory for anyone attempting to swim across the lake to comply with coast guard regulations. which include medical examinations, ample protection and other qualifications.

Seek Information—

Mrs. Fred Tilford and her daughter, Mrs. George Honoree of San Jose were here this week seeking information concerning the Henry Tilford family, who settled in this vicinity in the early days.

Bornemans Visit—

Mr. and Mrs. Tom Borneman and sons of Stockton were local visitors last weekend.

See Family—

Mrs. Clarence Bowers and her father, Arthur Kehm, Sr., of Sacramento, were guests of Mr. and Mrs. Arthur Kehm on Monday.

Buells Back—

Mr. and Mrs. T. T. Buell of Grass Valley were visiting friends on Sunday.

Returns Home—

Mrs. Ermin Hintz has returned to Truckee after visiting her cousins, Mr. and Mrs. Sever Hagen at Klamath Falls.

School Workshop Opens As Time For Classes Near

Full List of Employes For Coming Year Is Announced

The Tahoe-Truckee Unified School District sixth annual workshop in elementary and secondary education will be held in the high school from August 23 through September 3.

The plan of having all teachers and administration attend a two-week workshop prior to the opening of school was initiated in the fall of 1949, and has been continued with success since then. Parents and other interested people are always invited to attend any or all sessions of the work, Superintendent E. V. O'Rourke said.

All members of the school staff, both certificated and non-certificated, will attend the first session on Monday, August 23, to discuss plans for the coming school year.

The Tahoe Truckee Educational Association, under the direction of President Lynn Kishbaugh, will hold their first meeting of the year on August 23. On this date the custodians and bus drivers will meet with J. R. Stuart, maintenance engineer of the district, and Harry Eaton, supervisor of transportation. All cooks will meet also to make plans for the school year.

VISION TESTING

On August 24, from 9 a.m. to 2 p.m., a vision testing program for all certificated personnel will be directed by Frank B. Jones, assistant professor of health and physical education, Sacramento State College, assisted by Mrs. Charlotte Patnoude, public health nurse of the district. The administrators will hold a meeting from 2 to 4 p.m. on this date.

Procedures for appraising a high school will be discussed on August 25, by members of the high school faculty under the direction of Frank Lindsay, chief of the Bureau of Secondary Education, California State Department of Education. Dr. Vernon Larsen and Mrs. Edith Marais of Science Research Associates, will conduct a session concerning evaluating learning procedures, which will lead to a planned testing program for grades 9 through 12 for this school year.

HUMAN RELATIONS

Another feature of the workshop will be a three-day session, August 30, 31 and September 1, conducted by Dr. John Robinson, assistant professor of education, San Francisco State College. Dr. Robinson will discuss and demonstrate techniques and procedures for developing better human relations in the classroom and school. Also, during the workshop, the supervisors from the office of the county superintendent of schools will meet with various school personnel; Mrs. Julia Gonsalves of the county staff, will meet with the teachers and principals of the Tahoe Lake and Kings Beach schools, Miss Foresta McGouran will conduct meetings with the teachers and principals of the Truckee Elementary and Donner Trail schools, and Miss Evelyn Davies will meet with the staff of the Tahoe-Truckee High School.

STAFF MEETINGS

Staff meetings will be held in the various schools, and teachers will have time to arrange room environments and gather all necessary supplies and books to be ready to start school on Tuesday, September 7.

The workshop will end with a picnic on Friday afternoon, September 3.

Continued on Page 8

Rotary Attends Reno Annual Barbecue

Monday evening the Truckee Rotary Club was invited to Reno to share a barbeque with the Reno Rotary Club and almost all of the service clubs in the area. This is one of the highlights of the year. The food and the drinks were excellent.

Alan Pollock, the former manager of the Donner Lake Lodge, gave a short talk on bull fighting, that he witnessed in Spain.

Next Monday evening, August 23, all of the Rotary ladies and children are invited to share with the Rotary Club. A group of dancers will put on a show at the Donner Lake Lodge.

Will Make Visit

Dorothea Niles Martin

LODGE OFFICIAL TO BE HONORED AT TRUCKEE SESSION

Naomi Rebekah Lodge No. 2 will honor Dorothea Niles Martin, president of the Rebekah assembly of California when they meet on August 25.

Pearl Heller, district deputy president, will be in charge of arrangements for the event, assisted by Sylvia Beck and Bess Reid. Lavina Rablin, Mrs. Beck and Dorothy Kay have been named on the refreshment committee.

Dinner preceeding the session will be served in the Methodist Church. The distinguished visitor will be accompanied by Ida Williams, chaplain of the assembly and the superintendent of the I.O.O.F. Orphans Home at Gilroy.

Alice Mayer, noble grand, presided at the August 11 meeting when Mrs. Heller presented ElMay Phillippi, chaplain, with a friendship gift and refreshments were served by Mrs. Heller and Mrs. Kay.

Reservations for the August 25 dinner may be made by contacting Mrs. Heller.

EQUIPMENT WILL BE SOLD AT TALLAC FISH HATCHERY

SACRAMENTO—Several buildings and more than one thousand feet of steel pipe at the abandoned Tallac Fishh Hatchery will be sold August 28 at 10 a.m., at the hatchery, located three quarters of a mile west of Camp Richardson at Lake Tahoe.

Department of Fish and Game officials conducting the sale said that all buildings and salvaged materials must be moved from the premises. Prospective bidders may inspect the hatchery August 27 from 10 a.m. to noon and from 1 to 5 p.m., and again from 8 to 10 a.m. the morning of the sale. Oral bids will be taken.

Buildings include the main hatchery structure, 40 by 70 feet, a small residence, three utility buildings, a two-car garage, a dam and steel pipeline. The premises must be cleared to the satisfaction of the U. S. Forest Service, which owns the property.

Former Association Members To Hold Meet

TAHOE CITY—Mrs. Charles C. Warner of Fairway Drive in Tahoe City, former president of the Truckee-Tahoe American Association of University Women, announces this week that a "for-fun" get-together is being planned by former members of the now disbanded organization on Saturday, August 28. Anyone wishing to join the party is welcome to do so and may bring along as many friends as they wish. It will be a dutch treat, no hostess affair at Cal-Neva at noon, and those planning to attend may call Mrs. Warner at Tahoe City and make reservations.

Luncheon is optional with the guest, but unless reservations are made in advance the group will not be able to sit together, so cooperation is urged.

ENTERTAIN MOTHERS

TAHOE CITY—Two Tahoe ladies and their families are entertaining mothers. Mrs. Bud Scott has as her houseguest her mom, Mrs. Molly Ross of Los Angeles who is spending a two weeks' vacation here at the Scott home. Mrs. Betty Baker of Fairway welcomed her mom, Mrs. Mitzi Cochran of Berkeley, back for another stay on Monday.

Work Resumed At Local Mill As Strike Is Ended

Negotiations End As Most Men Return After Two Months

BULLETIN

The Stockton Box Company mill resumed work at noon today. After being idle for the past two months, spokesmen said that an agreement had been reached following a meeting between labor and management at San Fransisco yesterday. Terms of the agreement have not been officially announced here. George Kaspian began supplying logs to the mill yesterday to assure working materal. Virtually all the men previously employed at the mill have returned, Lew Baysinger, local superintendent, said.

Renewed efforts to end the two-months old lumber and sawmill workers strike which has kept the Truckee mill of the Stockton Box Company and the allied logging industry of the Truckee Lumber Company idle since June 20, were made this week but no results have been announced.

More than 100 men are affected by the strike here.

The industry snarling strike was called June 21st when operators refused to grant a 12½ cent hourly wage boost demand by American Federation of Labor and Congress of Industrial Organizations loggers.

The walkout has spread from Oregon, Washington and Northern California to Idaho and Montana. More than 110,000 workmen are affected.

The AFL estimated some 12,500 of its members have returned to work with wage boosts or pending negotiations. The CIO placed its total at 4800 workers.

HOSPITAL BOARD ELECTION SLATED FOR NOVEMBER 16

Candidates seeking positions on the board of directors of the Tahoe Forest Hosptal have until September 11 to secure the necessary petitions and file their intention with Howard Vaughan, clerk and ex-officio secretary of the board.

The election will be held November 16 and three directors at large will be chosen.

The terms of C. R. Heller, president of the board; Nace Firpo of Truckee and F. B. Sederberg of Tahoe City will expire this year. Heller has been president of the board since its organization.

Sunshine Girls Prepare For Drill Exhibition

Donner Council, Sunshine Girls met last night with Royal Princess Janice Gray presiding. Preceding the meeting, a drill practice was held under the direction of Sharon Pace, captain. Drill practice will be held at each meeting to prepare for an exhibition on September 23.

The next meeting will be held Wednesday, September 1st.

FIRE DESTROYS RESORT BUILDING

Fire believed to have started in the boiler room, last night destroyed the wash rooms and rest rooms at Truckee Resort.

The Truckee Volunteer Fire Department and the U. S. Forest Service responded to a call and kept the flames from spreading to nearby structures and adjacent for est.

Evening Of Fun For Wyethia Club Planned

An evening of fun will mark the meeting of the Wyethia Club to be held in the edifice tomorrow evening at 8 p.m.

The program being planned by Mrs. Fred Pedley, president, will include cards and other games and stunts in which the members will take part. Prizes will be given and refreshments will be served by the hostess committee which includes Mesdames S. Songer, George Kaspian, and Fosten Wilson.

SALE OF DONNER CAFE ANNOUNCED

Sale of the Donner Lake Coffee Shop on Donner Lake to Mr. and Mrs. Robert Pankoke of Paramount was announced this week by G. E. Lewis, owner of the establishment. The place had been leased to Mr. and Mrs. G. F. Drewery who gave up their lease and left in May. Plans of the Pankokes were not announced immediately but they are expected to operate the cafe.

Mr. and Mrs. William Ray left on Sunday to establish their residence at Los Angeles.

SHIRTS REPORTED STOLEN AT TAHOE

Some shady Lake Tahoe vacationer has a nice collection of sport shirts, the Washoe county sheriff's office has been informed.

The Seven Sea Importers at Crystal Bay reported that ten shirts were swiped from a rack near the front door of the establishment. Each shirt was valued at $9.95.

The sheriff's office said the shirts all had buttons fabricated from Mexican coins.

Motorist Reports He Lost His Passenger

RENO—Raymond Wacker 25, of Truckee told the Washoe county's sheriff's office Monday that he lost a passenger from his car while swerving to miss another vehicle.

Mr. Wacker, who did not identify his unfortunate passenger, said he swerved into a ditch on Highway 395 south of Reno to avoid hitting a car driven by Buford R. Smith. 35, of 1040 Ralston street.

Sheriff's officers said no injury was apparently sustained in the mishap. As the accident was not investigated on the scene, no citations were issued.

HEROIC NURSE HAS VISIT AT TAHOE

TAHOE CITY—Heroic French nurse Genevieve de Galard-Terraube left for San Francisco Monday noon after spending "a very nice weekend" at Lake Tahoe.

During her visit at the lake, the "angel" of Dien Bien Phu proved her mettle by water skiing for the first time. She also admired the landscape by touring the lake's edge both by boat and car.

The petite nurse who refused to abandon her wounded French soldiers even when the besieged bastion of Dien Bien Phu fell to the Communists in Indochina found Lake Tahoe "the most beautiful place I have ever seen."

An Air Force plane picked up Dien Bien Phu's famous heroine at 12:30 p.m. yesterday at Stead Air Force Base and whisked her to San Francisco.

IT'S WISE TO ADVERTISE!

Reunion Day Scheduled For Nevada County Fair

It will be Nevada County Reunion Day Saturday, August 28 at Nevada County District Fairgrounds as hundreds of former residents join a homecoming weekend here.

In sponsoring this special day fair officials feel it affords all former residents a wonderful opportunity to visit with old friends and at the same time view the agricultural, industrial and cultural progress of the county in a beautiful setting.

Contact has been made with the bay area reunion group by the local committee and it is felt that a good representation from this organization will be on hand. Prominent in the bay area Nevada County Reunion are: Will Doidge, San Francisco; Mrs. George Carson, Oakland and Judge Chris Fox, Superior, Alameda County.

Local residents having relatives and friends out of town are urged to write to them now inviting them to the Nevada County Fair.

THREE CAR CRASH RESULTS IN SUIT

AUBURN—A three car collision is the basis of a $113,350 damage action, filed in the superior court by Howard F. Van Dyke and Aritie Van Dyke against Charles S. Graham, Elmert Shirts, Burnside Associated Service and John E. Rinney.

The crash occurred near Soda Springs, Nevada County, on August 16, 1953. Van Dyke asks $13,350.67 for injuries and damages to his car. Mrs. Van Dyke seeks $100,000for injuries.

INCREASE NOTED IN ASSESSMENTS OF UTILITIES IN STATE

SACRAMENTO—Utility properties were assessed today at $2,330,937,000 by the State Board of Equalization. The 176 railroads, gas and electric companies, telephone companies, and other concerns subject to state assessment have two weeks in which to protest the values assigned to their properties by the board, after which the utility rolls will be sent to the counties for extension of local property taxes that are expected to exceed $130,000,000.

These state-assessed values, together with county-assessed values of over $15,860,000,000, bring the aggregate local property tax base for the 1954-55 fiscal year to approximately 18.2 billion dollars, according to Paul R. Leake, third district member of the State Board of Equalization. Leake predicted that the taxes will be levied on this base for the support of counties, cities, school districts, and other local governments will come close to $1,10,000,000.

Assessments by the board increased nearly 8.6 per cent over those made a year ago, Leake added. Every county but Modoc shared in the increase. Los Angeles shows the largest dollar increase—nearly $55,000,000—but 15 counties enjoyed greater percentage increases ranging to over 20 per cent in Calaveras and Contra Costa counties.

The increase in Nevada County was $463,000 in state-assessed value, up 4 per cent, while Placer County was raised $737,000 or 2.6.

County-assessed values in Nevada County went up $380,000 or 1.8 per cent in county-assessed valuation.

Two Gamblers Refused Share In Club Profits

CARSON CITY—This week the name of former California gambler Mickey Cohen cropped up as the Nevada Tax Commission refused permission to two gamblers to share in the proceeds of Cal-Neva Lodge at Lake Tahoe.

The gamblers, employed at $65 a day wages at the lake resort, had asked for the percentage of the profits at the end of the season because they put up $100,000 to bankroll gambling operations.

William Gallagher, chief of the commission's gambling control division, said one of the pair, Jack Vertlieb, was mentioned under a number of aliases in the televised Kefauver crime hearings as once associated with the notorious Cohen.

He asserted Vertlieb has a series of bookmaking arrests in California with one conviction. The other gambler who helped put up the bankroll to start the season's gambling operations at Cal-Neva was Leonard Marx.

Gallagher declared they signed a contract last May with owner Sandy Adler to get 50 per cent of the lodge's profits between $150,000 and $200,000, 25 per cent between $200,000 and $300,000 and 40 per cent of any profits over $300,000.

The seven member commission of which Gov. Charles Russell is chairman, indicated it does not want to get in a position of approving the deal and then being forced to give the pair gambling licenses in the future.

Australia's Great Barrier Reef is one of the world's natural wonders.

Marshall Monument

The Marshall Monument at Coloma, El Dorado County, commemorates discovery of gold by James Marshall on the American River in 1848.

First Masonic Hall

The first building erected as a Masonic Hall in California was built by Beneicia Lodge No. 5, F. and A. M., in 1851 and occupied until 1888.

NORTH TAHOE

By JUDGE HARRY CHARRISON

We visited the Kellogg home in Tahoe Vista the other day and what a beautiful place it is. A stone wall on the front with iron gates, and on the inside of the wall is a large fish pond filled with trout, all around 15 inches long. And the house that can house and sleep 26 persons, and a fireplace in which a dozen people could stand. They piled at least 10 big logs on the fire. Its the largest I have ever seen, and the livingroom has a stream running through dozens of plants, just inside a large picture window. It's really beautiful.

Had a nice visit with Francis West our acting sheriff of Placer County. He was up on a funeral director's meeting held at Cal-Neva Lodge. West is also coroner of the county.

One of the prettiest motels around here is the one built by Vince Kientz. It is right at the bottom of Brockway Hill, the Foothill Motel. Vince is quite a landscape artist, as the lawn and gardens are beautiful.

John Eybel of the Standard Oil Co. in Bakersfield will be with his family who are at their home on Brassie avenue, Kings Beach, this weekend, and it is hoped that he will stay at least till September, when they will have to return in order for their children to start school. Sure glad I'm out of school.

How could anyone be under the weather with this beautiful weather? But that's the case of our friend, Lillian King, she has really been down with a touch of that old demon flu, for almost two weeks in bed, too. But upon seeing her this morning she didn't look any the worse for her rest, which by her admission, can be attributed to the good cooking of Joe. That's why the friends of his are taking him on a hunting trip. Joe is top man when it comes to cooking those steaks. Joe, with a few of his friends, will go on a trip pretty soon even going to Canada. I'll keep our deep freeze in shape, Joe. Good luck.

Talking to Sophie Levra and she is looking forward for the square dancing to start. Sophie is responsible for the teaching our young folk the art. These kids were remarkably well trained last spring. Watch for the announcement of the commencement of these classes. All young people are welcome to join.

The David Ashtons had as visitors the past weekend Mr. and Mrs. Jess Angotti and son Gary, who were neighbors of Marguerite Ashton in Altadena. Also Mr. and Mrs. Howard Fortney of Pasadena and their son and daughter, Buzz and Greta. The Angottis came up for a vacation and the Fortneys came up by way of Las Vegas and stopped by, taking in Reno. Both families were loth to leave, but vowed they would return very soon.

Had a visit from a friend of the family from Pasadena in the person of Warren Bentham. Nearly 20 years since we saw him. His mother accompanied him and Warren was taking pictures for Universal Studios, and had some beautiful scenes from around the lake.

Don't forget the White Elephant sale at the Pines in Kings Beach on Saturday from 10 a.m. til evening. This will be a benefit of the Community Church of Kings Beach, and will be mostly for the building fund. For any information call Mrs. Mosier at Crystal Bay.

A family reunion was held at the home of Ray and Mrs. Davis on Brassie avenue, Kings Beach. Included were Captain and Mrs. Raymond Davis from the Pentagon with the transport command staff and Officers College, Kansas. Other guests included Mr. and Mrs. George C. Evans, and daughter, Judeth, from San Mateo, Mr. and Mrs. Harry Boyington and son Bobby, Mrs. Bess e Withrow of Hayward, Mr. and Mrs. Robert Withrow of Oakland, Mr. and Mrs. James Perry Davis and daughter Denice, of Sparks, Nev., and Mr. and Mrs. Richard T. Hays of Reno.

Suzanne Anderson, daughter of the Andersons on the golf course road was quite under the weather during the week, but is feeling all well by now. Dr. Samuel Hussey of Oakland, is up visiting the Andersons. He is Mrs. Anderson's father and was quite a steady resident years ago and loves to come up and visit his family, while they are here from Arizona. They will be leaving next Monday making calls at Oakland, San Francisco and Los Angeles on their way home. We shall miss them as our neighbors.

If you haven't been over the Truckee short cut lately you will be surprised at the improvements being made. At places the road is twice the width it was, which is going to relieve danger on those narrow curves and will be wonderful for the winter travel.

GIRL SWIMMER, 12, MAKES GOOD RECORD IN TAHOE WATERS

TAHOE CITY — Miss Louise Sherman, daughter of Mr. and Mrs. Clay Sherman of Oakland, who just turned 12 years old on July 16, is not only the envy of her youthful coterie of friends, but she is also $30 richer for a feat she performed last Sunday. For on that day, starting at 9 a.m. in the morning, she swam from the pier of her folks' home at Carnelian Bay to Dollar Point, a distance of one and one-half miles in just one and one-half hours.

Asked if she felt any ill effects from her swim as she climbed out of the water she answered in the negative and proved she meant it by spending three hours that afternoon at her favorite sport—swimming. Her mother and dad, and grandparents, showed their pride in her accomplishment by donating the $30.

Louise comes from "swimming sock," as her father was perhaps the first man to attempt the swimming of Lake Tahoe almost 20 years ago. He was a beautiful, powerful swimmer, and would have made the crossing easily had his manager only started him in daylight, instead of insisting he leave the Nevada shore at Cave Rock at midnight, which he did.

BABY ATTENDS HIS SHOWER AT TAHOE

TAHOE CITY—Few young men are priveleged to attend their own baby showers as did four-weeks-old James Richard Baker, small son of the James Bakers of Fairway Drive, whose mother was honored at the party on Wednesday night last on his behalf. The affair was given at the Floyd Carnell home with cohostesses Mrs. Mrytle Carnell and Mrs. Maizie Carnell, assisted by Mrs. Beulahh Carnell.

The many lovely gifts for the young man, who behaved admirably for one so young during the entire evening, were piled in a large basket near the fireplace, the honoree opening them prior to refreshments and an entertaining game. Mrs. Beccy Shontz won the game prize. A beautiful cake, the artistic work of Tahoe City Bakery, was decorated with silver and white flowers, with a large white stork, baby in beak, adorning one corner.

Those invited to enjoy the pleasant affair included Mesdames Bernie Bechdolt, Elsie Bell Bechdolt, Diane Briner, Marilyn Boyle, Beccy Shontz, Alberta Stark, Jean Henry, Tessie Anderson, Patricia Vanni, Eleanor Swanson and Miss Alice Rippee.

NOTICE OF GENERAL ELECTION
Tahoe Forest Hospital District

Pursuant to Section No. 32100.3 of the Health and Safety Code of the State of California, the Board of Directors of Tahoe Forest Hospital District declare, and NOTICE IS HEREBY GIVEN, that the Biennal Hospital District General Election shall be held in the Tahoe Forest Hospital District on Tuesday, the 16th day of November, 1954, for the purpose of electing three Directors-at-Large for said District. The following offices are to be filled at said election:

Director-at-Large No. 1
Director-at-Large No. 2
Director-at-Large No. 3

The candidates for the offices set forth above may secure nomination papers from the Clerk of said District, which nomination papers must be filed with the Clerk of said District not later than the 11th day of September, 1954.

Dated August 17, 1954.

C. R. HELLER
President of Board of Directors, Tahoe Forest Hospital District.

Howard Vaughan
Clerk and ex-Officio Secretary of the Board of Directors.

PLANS COMPLETED FOR NEVADA COUNTY FAIR AUGUST 26-29

Preparations are complete for what bids to be Nevada County's outstanding District Fair for many a year. Scheduled for August 26-29 at "California's Most Beautiful Fair Grounds," in Grass Valley every phase of the county's industrial, commercial and cultural achievements will be displayed in the redwood buildings among the stately pine trees of the fair grounds.

Entries for photography, horse-show, livestock, lumber products, arts close on August 12 at the office of Manager Loyle Freeman, Grass Valley. All the entries are taken at the same office. Over 800 sections with 2743 prizes, seven sweepstakes and 34 champions are open in the senior division. The junior division has 282 sections, 782 prizes and 28 champions.

Completion of the new Floriculture building will make possible the biggest flower show in the fair's history with both Placer and Nevada Country entries.

On Saturday 28 it will be homecoming for hundreds of former residents of Nevada County as the fair management presents "Nevada County Reunion Day." Resi-

POPULATION GAIN IN STATE IS REVEALED

SACRAMENTO (CNS)—Total resident population of California on July 1 of this year totaled 12,450,000, according to John M. Peirce, state director of finance.

Peirce said this figure represents a gain of 375,000, or 3.1 per cent during the 12 months prior to the estimate made by his department.

In addition, he said the total gain since the 1950 census is estimated at 1,865,000, which he described as a population surge greater than experienced at any time in the state's history, except for the World War 11 period.

Census figures for Nevada County in 1950 were 19,888, and the department estimate as of July 1, 1954, 20,000.

Peirce said an important share of this rapid growth comes from natural increase, which is the excess of births over deaths. However, there is an approximated 200,000 annual increase in residents through migration, the figures show.

The department, according to Peirce, estimated that California will add another 3,775,000 residents during the next 11 years, with a total population of 16,225,000 in 1965.

---

dents of the bay area who meet regularly every year have signified their intention to attend and hold a reunion. Appropriate arrangements will be made by the fair management for full entertainment of this group.

Truckee residents are urged to make entries now and plan to attend the fair.

WATERFOWL HUNT DATES ANNOUNCED

SACRAMENTO—The State Depart of Fish and Game today announced waterfowl hunting seasons for the current year.

The split season will open at noon October 9, and run through November 13; re-open December 6, and close January 10.

William J. Silva, president of the fish and game commission, said the 36-day hunting period is four days more than last year.

However, federal regulations curetailed the bag limit by one duck. In California daily bag and possession limit of 10 ducks, which must include at least three widgeons or three pintails, or three in the aggregate of both kinds, is required. Last year, four so-called "bonus" birds could be taken.

The bag and possession on geese is six birds, which may include not more than three of the dark species. No Ross geese may be taken.

Shooting hours remain unchanged. Starting time on the first days of the split season will be at noon. Other days start at a half hour before sunrise, and cease at sunset.

The commission is also clearing up the opening hour for dove. Split season starts at noon September 1, and October 12.

---

29 Palms—

Mr. and Mrs. Al Stoddard who have been at Tahoe City for the season are returning to 29 Palms.

Gets Registration—

Frederick J. Dengler, Jr., of Tahoe City was one of a number of druggists of northern California who was granted registration by the California State Board of Pharmacy last month.

DIAL TELEPHONES FOR HOMEWOOD IN COMPANY PROGRAM

HOMEWOOD — Homewood will get dial service by the middle of next year, Howard Newsham, telephone manager here, announced this week.

At the same time as the new dial system goes into effect all Homewood telephone numbers will be changed, he said.

Property for the new dial building has been purchased already. It is a 60x183 foot lot on Cedar avenue between Grand View avenue and El Capitan avenue. No date has yet been set to begin construction, Newsham said.

Converting Homewood to dial service involves a lot of planning and engineering as well as new cable construction throughout the exchange.

Newsham pointed out that today's dial equipment is so complicated that it has to be made to order to fit each individual exchange.

Calling habits of the community are studied. The geography of the area must be considered. With these and other factors in mind, the specifications are drawn up.

The dial equipment to be installed in Homewood will be constructed according to those definite specifications.

After it is shipped to Homewood and installed in the new building, thousands of soldered connections must be made.

Following this, to be sure that the equipment will stand the gaff and hold up under all circumstances, a complicated testing procedure begins.

The new Homewood building will be served by telephone crews who will visit it periodically to make any adjustments needed and to check to see that all the equipment is operating astisfactorily.

MRS. CALLENDER IS HOME AFTER LOSING FINGER IN ACCIDENT

TAHOE CITY—Mrs. Ben Callender of Callender's Lodge, Homewood, Lake Tahoe, was brought from Washoe Medical Center in Reno by her husband last Friday and is resting comfortably following amputation of her index finger.

Mrs. Callender's plight, which caused the finger to be removed, is one of the strangest ever recounted at the lake. She was lounging on the beach with the family Scotty, Sonny, at her side. A group of people gathered nearby following the collision of two boats in the water. A summer vacationist with his dog approached along the shoreline and instinctively Mrs. Callender grabbed the collar of her dog at the back of his head to prevent any conflict with the strange dog. However the dog made a lunge for Sonny's throat, but instead bit Mrs. Callender's finger off.

Mrs. Callender's sister, Harriett Hemenover of Santa Rosa, has taken over management of the resort during the emergency.

How to get better results with kerosene appliances

There's no need to stand watch over baking in your kerosene range or stay near a kerosene heater or lamp when first lit if you always burn Pearl Oil, Standard's famous kerosene. A Pearl Oil flame does not creep up. It is super-refined . . . impurities removed, maintains even heat, allows smoke and soot-free operation. Pearl Oil burns evenly without "kerosene" fumes, and is a favorite for incubators and brooders. For top results with kerosene appliances, let us supply you with Pearl Oil.

For more information about Standard Oil Company of California products, call your local Standard man

SPECIAL RELIGIOUS SERVICES PLANNED

KINGS BEACH—A special religious service, patterned after Christ's personal ministry on the sea of Galilee, will be conducted Sunday evening at 7:15 on the public beach at Kings Beach. The service will be under the auspices of the Truckee and Kings Beach Community Methodist churches. Rev. A. B. Covher will lead the group worship on the beach, and will sing "The Stranger of Galilee" as a boat approaches from across the lake bearing the speaker for the occasion, Rev. Wesley Osman.

Various young people of the two churches will assist the worshiping group on the beach. Familiar hymns will be used, which will make it a service of genuine audience participation.

It is hoped that the public interest in this unique service will justify its annual recurrance. Rev. Osman will speak from the boat on the topic, "What Are You Sowing?"

NEW OFFICERS FOR TAXPAYERS GROUP

Walter E. Jansen, newly-elected president of the Placer County Taxpayers Association, has announced that the following officers were elected at a meeting held in the Hotel Auburn on Thursday, August 12, who will serve through 1954-55: Walter E. Jansen, of Lincoln, president; R. L. Tudsbury of Loomis, vice president, and members of the executive committee: John Perry of Lincoln; William Finger and W. S. deWood of Roseville; N. R. Mayfield of Tahoe City; T. L. Chamberlain, Jr., and Mrs. Gladys Pedersen of Auburn.

MRS. MITCHELL IS NAMED SECRETARY OF TAHOE CHAMBER

TAHOE CITY—Miss Clare Titus, Tahoe City, has resigned as secretary of the Lake Tahoe-Sierra Chamber of Commerce and Mrs. Jeannette Mitchell of the Sunnyside District has been appointed to serve the chamber on a year round basis, as secretary.

Mrs. Mitchell announces that the office of the local chamber in the Kilner building in Tahoe City will be open daily, except Tuesdays, from 10 a.m. to 4 p.m.

The new secretary should be well qualified for her new post as she has taken an active interest through her 35 years at the lake in the civic affairs of the district. She is a former president of the Women's Club of Tahoe, was appointed representative of the people of Highway 89 south, is on the chamber's highway and membership committee, former chairman of the TriCounty Women's Club International Relations, a post which won her nationwide recognition, and is a director of the Lake Tahoe-Sierra Chamber of Commerce. She is a niece of the last pioneer Bill Johnston of Homewood's El Campo Resort, and owns, with her husband, Imon, a home in Sunnyside, where they reside the year around.

NOTICE OF INTENDED SALE AND TRANSFER OF BUSINESS PROPERTY

NOTICE IS HEREBY GIVEN that G. E. Lewis, residing in Truckee, California, intends to sell and transfer to Robert Pankoke and Martha L. Pankoke, who reside at 8052 East Alhambra, Paramount, California, all of his right, title and interest in and to that certain business property known as the Donner Lake Coffee Shop, situated on the northeast shore of Donner Lake, Truckee, California, together with all his interest in the furnishings, fixtures, equipment and signs belonging to said business premises and located therein. The said premises were last used and operated as said Donner Lake Coffee Shop by Garland F. Drewrey and Frances T. Drewrey, his wife, under a lease from said G. E. Lewis, said lease having terminated and said lessees having vacated said premises on or about the 22nd day of May, 1954.

The consideration for the transfer of said business property, furnishings, fixtures, equipment and signs, will be paid on the 30th day of August, 1954, at 10 o'clock A.M., in the law offices of Francis W. Robichaud, Masonic Building, Truckee, California, the same being the time and date for the consummation of said sale.

Dated: August 18, 1954.

G. E. LEWIS,
Intended Vendor.

Signed and subscribed before me this 18th day of August, 1954, R. N. Little, Notary Public.

TRAFFIC VIOLATIONS MAY BE MENTALLY ILL

SACRAMENTO—If you violate traffic laws you may be sicker than you think.

Psychologists state that motorists who employ bad driving manners, including right-of-way snatching, unsafe passing and weaving from lane to lane, may be showing symptoms of mental illness.

Turning to the records, California Highway Patrol statisticians have determined that, month by month, more than one-fourth of all accidents on highwals in unincorporated areas of the state are caused by these same violations.

In commenting on this fact, Highway Patrol Commissioner B. R. Caldwell observed that whether or not these drivers are mentally ill, the overall problem of traffic violations and traffic violators is a social illness of the first magnitude.

"Enforcement officers who frequently see these dangerous acts naturally wonder about the soundness of reasoning of some motorists.

"It may indicate mental illness when a driver cuts sharply in front of another vehicle at high speed, or when he attempts to pass without sufficient clearance. On this fact, we are certain: Such actions indicate an extreme lack of judgment and social responsibility and are viewed with extreme disfavor by law enforcement personnel," Caldwell declared.

The hit that's changing the sales standings puts you way ahead 3 ways

THIS year Buick has done what no other car has done in more than a generation.

This year Buick has moved into the lofty circle of America's three top sales leaders—a circle once dominated *only* by the so-called "low-price three." *For today, Buick is outselling all other cars in the nation except* two *of these "low-price three."* And each new month's sales figures strengthen Buick's new sales leadership.

You can't do better—if you want the best buy for your new-car money—than to look into the soaring success that is Buick today. You'll find this glamorous new-day beauty puts you way ahead in three important ways—that's for sure. So drop in on us—tomorrow at the latest—and see for yourself that Buick is the buy of the year, hands down.

1. More new car for your money

Buick prices start close to the lowest—just a few dollars above those of the traditional "low-price three." But those few more dollars for a Buick get you a lot more automobile—more room, more comfort, more V8 power, more ride steadiness, more solid durability—plus the advanced "tomorrow" styling that has taken the country by storm.

2. More money for your present car

With our great and growing sales volume, we can offer you a bigger trade-in allowance on your present car when you buy a new Buick. After all, the more new cars we sell, the better deal we can make with you. So you get the benefit of our great success in the form of a higher trade-in allowance.

3. More dollars when you trade

Because Buick's broad panoramic windshield has started a whole new styling trend, you can be sure that today's Buick will keep its modern look for years to come. So you are assured of a higher resale figure when you trade it in later on.

Come see for yourself why— Buick Sales are Soaring!

SWANEE'S Lake Tahoe Letter

Tahoe City, August 15

Dear Tahoeites:

The second annual Water Ski Regatta, sponsored by the Tahoe Yacht Club, was held today at Chambers' Lodge, with a good sized crowd on hand to witness events. Results of the regatta will be found elsewhere in the Sun, but a word of commendation is due the members who gave so generously of their time, and money, to make this event successful. R. Randolph Walker, vice commodore, who served as announcer, reports that present plans call for another regatta next season, members hoping to make it a popular annual event.

Bishop Noel Porter was indeed a busy pastor Sunday. He started the Sabbath with communion services at 8 a.m. at the Outdoor Chapel of the Pines, then at 8:30 a.m. baptized Charles William Fink of Squaw Valley, who had as his witness Miss Coles. At 11 o'clock regular services were held with attendance almost as good as during the past month. At 12:30 he married Robert L. Harkness of Sacramento to Agnes A. Holmquist of Sacramento, before a small group of friends and relatives. Fred Links was best man and Miss Ruth Lemm was bridesmaid. At 3:45 p.m. Bishop Porter united in marriage Ned William Parsons of Orange, and Sally La Rae Pringle of Palm Springs, whose family has a summer home near Meek's Bay. Donner Florists of Truckee furnished the fragrant white stock which adorned the altar and organ. Peter Gibson of College of the Pacific of Stockon, was organist for the occasion. At 4:15 p.m. the bishop baptized John Philip Collier of Sacramento, who is to be married very soon at the Outdoor Chapel as soon as his bride-to-be recovers from an unexpected attack of appendicitis. At 4:30 p.m. Bishop Porter confirmed two Grass Valley residents. Bishop Porter travels to Grass Valley several times a year to confirm large classes of this church, his next visit to occur sometime in the coming fall. At the present time 12 adults are being readied for confirmation soon. Bishop Porter left the lake on Tuesday to visit with his wife, who has been ill at their Sacramento home and under the care of her physician, but is improving steadily. He returns to his parish here on Thursday again.

Mrytle Reed of Oakland, a veteran employe of the Oakland Tel and Tel, is enjoying a vacation at the Mortimer cottages and will remain indefinitely. Mrs. Victor Haven of Oakland and two sons, Butch and Skip, are spending a four-week vacation at the Schlueter cottages where they are joined frequently by Haven. On Friday, August 13, the Havens celebrated their sixteenth wedding anniversary and Haven surprised his wife with a gift of a new car, which he drove to the lake on his last trip up.

Mrs. Helga Olander, mother of Mrs. Don Del Carlo, who with her husband operates the popular Swedish Farmhouse in Tahoe City, this week announces she has engaged Contractor Henry C. Pell of Oakland, and his son, Don Pell, to erect for her six modern cottages on the sunny hillside northwest of the Farmouse. They will be winterized for year around occupancy, as the Olanders and the Del Carlos optomistically look forward to the time when the Tahoe City area will become one of the most popular skiing areas, and are preparing for it in advance. One house will be larger than the others, and will boast a rustic fireplace. This one will be occupied by Mrs. Olander. The units should be ready for occupancy by October 1. Mrs. Olander is considering calling her units, appropriately, I think, Solhill (Swedish for Sunnyhill) Cottages. Carl Ocklind of Virginia, Minn., brother of Mrs. Olander, accompanied by his wife, returned from Oakland with his sister to visit for the first time at Lake Tahoe and was thrilled and amazed at its beauty.

The food sale and bazaar held at Jack and Dinty's on Friday, August 13, by members of the Women's Club of Tahoe, was successful, according to President Alma Guth. The group meets Thursday, August 19 at Pfeifer House for luncheon, at which time Dr. Monica Briner of Sunnyside Lodge, will be guest speaker.

Mr. and Mrs. Paul Chesney of Auburn visited at the home of Mrs. Chesney's brother-in-law and sister, Mr. and Mrs. Steve Korich of the Bittencourt Tract last week. Mr. Chesney came to Tahoe City to talk with some of the students who plan to attend Sierra College in Auburn this fall. He is an instructor in the high school and football coach. Mr. and Mrs. Howard Lackey of San Francisco were weekend guests at the home of Mr. and Mrs. Clay Sherman who are summering at the Hendrick's home at Carnelian Bay.

Mrs. Charles Nielsen of the Tahoe City Highway Maintenance Station, accompanied by their two children, is visiting with her father, Rudolph Marshall at his home in San Luis Obispo.

Mrs. Evie Waters of Deer Park Lodge reports attendance continues good at the Tahoe Community Sunday School classes each Sunday, held in Tahoe Community Hall. Thirty-five adults and children were present this morning. Mrs. Waters and Mrs. Beccy Shontz are instructing the children. Mr. and Mrs. Gerry Waters on Friday entertained twelve teen-age youngsters at their lodge on the Truckee river, where games and refreshments were enjoyed. Deer Park Lodge has enjoyed a lively season, with many families now guests at the resort.

Dr. S. M. Dingwall of the Truckee river, who has enjoyed a rushing business ever since opening his modern, new veterinary hospital last week had as a patient the pet of Nat King Cole, Mr. Pep, a beautiful boxer, who was suffering akin to gout. One of the most entertaining shows to hit the lake region this summer was presented on Thursday evening last at Brockway Hotel Casino, where Mickey McCreedy, hostess at the resort, staged an impromptu, "What's My Line?," using for talent residents of the surrounding area.

A good sized crowd of youngsters was on hand to enjoy the Tahoe Community Sunday School picnic held on the Tahoe Commons on Sunday last. Free hot dogs, refreshments and other tasties were furnished by the Sunday school, and games were enjoyed by the youngsters.

Don Pell of Oakland, who is assisting his father in building the Olander cottages near the Swedish Farmhouse, had to return to his home unexpectedly on Sunday when he learned his wife had given birth to a son. Congratulation. Ring off for the week with the best of good wishes to one and all, as ever, Swanee.

GOOD ATTENDANCE AS WATER-SKI MEET IS HELD AT LAKE

TAHOE CITY—Results of Sunday's second annual water ski carnival, sponsored by members of the Tahoe Yacht Club are as follows: Special outboard open class race for youngsters went to Lewis Marsten, Sunnyside; second, Tom Frost, San Leandro; third, John Lane. This race actually consumed several hours due to the fact that the boys tied each other's time with each run-off of the event until winners finally emerged.

Junior skiing slalom for boys and girls, 12 and under went to Ni Orsi, Stockton; second, Ann Meyhew, Piedmont; third, Mike Kaiser, Oakland and Tahoe Pines. Boys' slalom 14 to 18 taken by Douglas Bourne; second, Lewis Fellows. Carnelian Bay; third, Kit Clegg.

Girls' slalom, 14 to 18, taken by Mary Jo Miller, Sacramento; second, Elizabeth Dobbins, Berkeley; third, Gloria Westphal, Ross, Marin County.

Tricks, boys and girls 13 and under went to Ni Orsi, Stockton; second, Mike Kaiser; third, David Hall, Meek's Bay. Women's slalom, 19 and over taken by Sherrell Blessing, Piedmont; second, Barbara Berry, Piedmont; third,, Rut Keith. Boys' tricks, 14 to 18 went to Roger Murphy, Sunnyside; second, Don Breuner, Orinda; third, Doug Bourne.

Girls' tricks, 14 to 18, taken by Gloria Westphal; second, Elizabeth Dobbins; third, John Meyhew. Adults, men and women, over 19, went to Charles Besotes, Stockton; second to Joe Belcao; and third place to co-partners Bob Smith and Ron Anderson.

NOTICE OF SALE

NOTICE IS HEREBY GIVEN that on the 20th day of August, 1954, at the hour of ten o'clock A.M., at the main entrance to the Nevada County Courthouse, in Nevada City, County of Nevada, State of California, the undersigned trustee under the deed of trust executed by Marion R. Jones, party of the first part, to Oroville Title Company, a corporation, party of the second part, and trustee therein, and Ira O. Gifford and Laura S. Gifford, parties of the third part and beneficiaries, recorded February 23, 1954, in Book 194 of Official Record of Nevada County, page 365 et seq., in the Office of the County Recorder of said Neveda County, by reason of default in the payment of the obligation secured thereby and in the performance of the covenants contained therein, including the breach or default, a notice of which was recorded March 11, 1954, in Book 194 page 533 in the Office of the County Recorder of the County of Nevada, State of California, of Official Records, will sell at public auction to the highest bidder for cash in lawful money of the United States the interest conveyed to said trustee by said deed of trust in and to the property therein described, situated in the County of Nevada, State of California, described as follows, to wit:

Beginning at a point on the Northerly Right of Way line of Highway U. S. 40 from which point the corner common to Sections 8, 9, 16 and 17, Township 17 North, Range 16 East, M.D.B.&M., bears North 1298.23 feet; running thence North 84° 19' 00" East, 39.80 feet; thence North 0° 20' 00" East, 119.48 feet; thence South 78° 03' 30" West, 156.40 feet; thence South 10° 11' 00" East, 101.65 feet to a point on the Northerly Right U. S. 40; thence North 84° 35' of Way line of said Highway 00" East, along said Highway Right of Way, 95.00 feet to the point of beginning, containing 0.37 acres, more or less. Being a portion of the North one-half of the East one-half of the Northeast quarter of Section 17, Township 17 North, Range 16 East, M.D.B.&M., and a portion of the North half of the Northwest quarter of Section 16, Township 17, North, Range 16 East, M.D.B.&M.

For the purpose of paying the balance due upon the principal sum of said note, together with interest due thereon to date of sale as provided in said note, sums if any advanced under the terms of said deed of trust; the expenses of said sale and the compensation of said trustee, as therein provided. Terms of sale, cash in lawful money of the United States.

Dated this 20th day of July, 1954.

TAHOE FOREST ACTIVITIES

Recently this column explained how a forest lookout detects and reports a fire. Also, how the dispatcher uses the reports from two or more lookouts to spot the fire exactly. This explanation was brief and general, but does point up that this job, like so many we have in America today, is quite scientific. Research has made fire detection an exact science, and good fire detection has materially reduced the losses of our natural resources.

The lookout is a lonely job. He sits atop an isolated mountain peak, off the traveled path, and sees but few people all summer. He has either, or both, a telephone and a short wave radio for communication, but he can use these only for reporting fires or ordering his supplies—no "chit chat" is permitted. After dark, though, when all is quiet and the loneliest part of the day arrives, old hands send out over the radio a few words of assurance to the newcomers on another peak, renew acquaintances with friends and at the same time, bolster their own morale.

The Water Problem

The biggest problem facing a lookout is his water. Lookouts being on top of the peak, universally are without running water. He has to travel every few days to a water development two or three miles distant and haul the water in containers. Then he has to carry it up the 50 or so steps to the top of th tower. This is done early in the morning before the heat of the day sets in, for he has to be on duty constantly during the burning period.

Housekeeping

Living in a glass house, one room, 12x12, with working tools as well as personal gear, requires constant attention to see that everything has a place to be put and that everything is put in its place. Though he scans his territory from the catwalk outside, using magnifying glasses, fires are located with the fire finder inside and looking through the tower windows; so window washing is a constant job —they have to be spotlessly clean at all times.

Then, because he does have some visitors, his entire quarters are also required to be kept spotlessly clean at all times—beds made, dishes washed, floor scrubbed, clothes put away, etc. If otherwise, living in a 12x12 room 24 hours a day would be intolerable.

Lookouts are required to keep their building in a good state of repair. In between the 5-minute scan of the area every 15 minutes, and after the housekeeping chores are done, the window sash, shutters and catwalk railing and deck are sanded and painted. Loose nails and screws are re-set and in some cases, boards replaced. The gas generator is serviced and operated to re-charge the radio batteries. The grounds at the base of the tower have to be kept free of grass, leaves and pine needles, for the lookout has his own fire problem to think about.

Aircraft Warning Service

Each lookout is tied into the U. S. Air Force Aircraft Warning Service. Every aircraft seen or heard is reported to Banner Mountain lookout via radio. Aircraft size and direction of travel is given. In turn, Banner Mountain, which has commercial telephone service, reports their information direct to the Aircraft Filter Center in Sacramento. This reporting takes precedence over all radio business, next to fire.

A Busy Job

Thus the lookout is busy all the time. He not only is the primary guardian of our natural resources, but he is an essential part of our nation's defense. He saves the taxpayers' money, too, by keeping his tower in a state of good repair by painting and the doing of small maintenance jobs. Keeping busy, keeps his morale high, gives him pride in his work and results in a very effective job well done. The Tahoe Forest is mighty proud of each of their lookouts. Go visit one of them—they enjoy seeing you and like to explain their work to you.

Rules Are Outlined For Driving On Wrong Side

"As the speed of travel increases, we are having more and more accidents involving drivers who come to grief while driving on the wrong side of the road," declared Capt. Richard Langner, commanding officer of the Placer Area Highway Patrol unit.

The California Vehicle Code states: Upon all roadways of sufficient width a vehicle shall always be driven on the right half of the roadway unless:

(1) Overtaking and passing a vehicle bound in the same direction in accordance with other requirements of law.

(2) When placing a vehicle in position for, and when lawfully making a left turn.

(3) When the right half of the roadway is closed to traffic while under construction or repair.

(4) Upon a roadway designated and posted for one way traffic.

"Of course it is never permissible to pass another car by crossing over a double line, nor may a motorist make a left turn on a divided highway other that at clearly marked locations," commented Captain Langner.

NOTICE TO VOTERS

NOTICE IS HEREBY GIVEN to the electors of the State of California that the following Bond Act will be submitted to the People of the State of California for their ratification at the next general election to be held on the second day of November, A.D., 1954.

FRANK M. JORDAN,
Secretary of State.

FOR THE VETERANS BOND ACT OF 1954. This act provides for a bond issue of one hundred seventy-five million dollars ($175,000,000) to be used by the Department of Veterans Affairs in assisting California war veterans to acquire farms and homes.	1
AGAINST THE VETERANS BOND ACT OF 1954. This act provides for a bond issue of one hundred seventy-five million dollars ($175,000,000) to be used by the Department of Veterans Affairs in assisting California war veterans.	

This proposed law, by act of the Legislature passed at the 1954 First Extraordinary Session, is submitted to the people in accordance with the provisions of Article XVI of the Constitution.

(This proposed law does not expressly amend any existing law; therefore, the provisions thereof are printed in BLACK-FACED TYPE to indicate that they are NEW.)

PROPOSED LAW

An act to add Article 5e to Chapter 6 of Division 4 of the Military and Veterans Code, authorizing the creation of a debt or debts, liability or liabilities, through the issuance and sale of state bonds, to create a fund to provide farm and home aid for veterans in accordance with the provisions of the Veterans Farm and Home Purchase Act of 1943 and acts amendatory and supplemental thereto; defining the powers and duties of said committee and of the Department of Veterans Affairs and other state officers in respect to the administration of the provisions hereof; providing ways and means, exclusive of loans, for the payment of the interest of such debt or debts, liability or liabilities, as such interest falls due, and also for the payment and discharge of the principal of such debt or debts, liability or liabilities, as such principal matures; and providing for the submission of this act to a vote of the people at the general election to be held in the month of November, 1954.

The people of the State of California do enact as follows:

Section 1. Article 5e is added to Chapter 6 of Division 4 of the Military and Veterans Code, to read:

Article 5e. Veterans Bond Act of 1954

996.25. This article may be cited as the Veterans Bond Act of 1954.

996.26. For the purpose of creating a fund to provide farm and home aid for veterans in accordance with the provisions of the Veterans Farm and Home Purchase Act of 1943 and of all acts amendatory thereof and supplemental thereto, the Veterans' Finance Committee of 1943, created by Section 991, shall be and it hereby is authorized and empowered to create a debt or debts, liability or liabilities, of the State of California, in the manner and to the extent hereinafter provided, but not otherwise, nor in excess thereof.

996.27. After adoption of any resolution by the Veterans' Finance Committee of 1943, provided for in Section 996.34 the State Treasurer shall arrange for the preparation of the requisite number of suitable bonds in accordance with the specifications contained in such resolution. The aggregate par value of all bonds issued under this article shall not exceed the sum of one hundred seventy-five million dollars ($175,000,000) and shall bear interest at a rate not exceeding 5 percent per annum payable as provided in such resolution. Both principal and interest shall be payable in lawful money of the United States, at the Office of the State Treasurer, or at the office of any duly authorized agent of the State Treasurer.

All bonds issued under this article shall bear the facsimile signature of the Governor and the facsimile countersignature of the Controller and shall be endorsed by the State Treasurer either by original signature or by a signature stamp, and the bonds shall be signed, countersigned, and endorsed by the officers who shall be in office on the date of adoption of the resolution of the Veterans' Finance Committee of 1943, and each of said bonds shall bear an impress of the Great Seal of the State of California. Interest coupons attached to each bond shall bear the facsimile signature of the State Treasurer who shall be in office on the date of adoption of the resolution of the Veterans' Finance Committee of 1943. The Veterans' Finance Committee of 1943 may require that said bonds be authenticated by the State Controller or by any Deputy State Controller, and in such event no bond authorized hereunder shall be valid unless so authenticated in the manner so required. The bonds or coupons so signed, countersigned, endorsed, and sealed, when sold, shall be and constitute a valid and binding general obligation upon the State of California, although the sale or delivery thereof be made at a date or dates upon which the officers having signed, countersigned, and endorsed said bonds or coups, or any or either of said officers, shall have ceased to be the incumbents of the offices held by them at the date of adoption of the resolution of the Veterans' Finance Committee of 1943. Each bond issue under this article shall contain a clause or clauses referring to this article and to the resolution of the Veterans' Finance Committee of 1943 hereunder by virtue of which said bond is issued, and if subject to call or redemption prior to maturity, shall contain a recital to that effect.

996.28. The State Treasurer shall, on the respective dates of maturity or prior redemption of said bonds, or as soon thereafter as said bonds are surrendered to him, pay the same out of the proceeds of the Controller's warrants drawn in his favor as provided in Section 996.29 and perforate the bonds so paid with a suitable device in a manner to indicate such payment and the date thereof. The State Treasurer, or his duly authorized agent, shall also, on the respective dates of maturity, cancel all bonds and appurtenant coupons bearing said dates of maturity and remaining unsold, by perforation with a suitable device in a manner to indicate such cancellation and the date thereof; provided, however, new bonds may be prepared and executed in lieu of bonds canceled solely by reason of the fact that such bonds have not been sold prior to their fixed maturity dates, whenever the Veterans' Finance Committee of 1943 shall determine such new bonds shall be prepared and executed, subject to the condition the total indebtedness created hereunder shall not exceed the maximum limit herein specified. Not less than four years after the final maturity date of a particular issue of bonds, the State Treasurer, or his duly authorized agent, may destroy or cremate any bonds of such issue which have been previously paid or canceled as hereinbefore provided.

996.29. All bonds herein authorized, which shall have been duly sold and delivered as herein provided, shall constitute valid and legally binding general obligations of the State of California, and the full faith and credit of the State of California is hereby pledged for the punctual payment of both principal and interest thereof. There is hereby appropriated from the General Fund in the State Treasury such sum annually as will be necessary to pay the principal of and the interest on the bonds issued and sold pursuant to the provisions of this article, as said principal and interest become due and payable.

There shall be collected annually in the same manner and at the same time as other state revenue is collected such a sum, in addition to the ordinary revenues of the State, as shall be required to pay the principal and interest on said bonds as herein provided, and it is hereby made the duty of all officers charged by law with any duty in regard to the collections of said revenue, to do and perform each and every act which shall be necessary to collect such additional sum.

On the several dates of maturity of said principal and interest in each fiscal year, there shall be returned into the General Fund in the State Treasury, all of the money in the Veterans' Farm and Home Building Fund of 1943, not in excess of the principal of and interest on the said bonds then due and payable, except as hereinafter provided for the prior redemption of said bonds, and, in the event such money so returned on said dates of maturity being less than the said principal and interest then due and payable, then the balance remaining unpaid shall be returned into the General Fund in the State Treasury out of said Veterans' Farm and Home Building Fund of 1943 as soon thereafter as it shall become available, together with interest thereon from such dates of maturity until so returned at the same rate as borne by said bonds, compounded semi-annually.

Both principal and interest of said bonds shall be paid when due upon warrants duly drawn against said appropriation from the General Fund by the Controller of the State in favor of the State Treasurer, or his duly authorized agent, and the money to be returned into the General Fund in the State Treasury pursuant to the provisions of this section shall likewise be paid as herein provided upon warrants duly drawn by the Controller. The Department of Veterans Affairs, by resolution approved by the Veterans' Finance Committee of 1943, shall direct the State Treasurer to call bonds (which are then subject to redemption) if such call is desirable and whenever funds are available to effect such redemption, the part of each issue so called to be not less than all of the bonds maturing in any one year. Notice of such redemption shall be given by the State Treasurer in the manner provided in the resolution authorizing the issuance of said bonds.

996.30. The bonds authorized to be issued under this article shall be sold by the State Treasurer to the highest bidder for cash, either at public auction or upon sealed bids as the Veterans' Finance Committee of 1943 may by resolution determine. The Treasurer must reject any and all bids for said bonds, or for any of them, which shall be below the par value of said bonds so offered plus the interest which shall have accrued thereon between the date of purchaser's payment for said bonds and the last preceding interest maturity date; and the Treasurer may from time to time, by public announcement at the place and time fixed for the sale, continue such sale, as to the whole of the bonds offered, or any part thereof offered, at such time and place as he may select. If said bonds are offered for sale upon sealed bids, then each bid shall be in writing and signed by the bidder and sealed, and shall be accompanied by the deposit of a certified check or cashier's check for five thousand dollars ($5,000), drawn on a bank or trust company authorized to transact and transacting business in the State of California, payable to the Treasurer of the State of California, such deposit not to bear interest. The deposit of each unsuccessful bidder shall be returned to him immediately upon the nonacceptance of his bid, and the deposit of the successful bidder shall immediately upon the acceptance of his bid become and be the property of the State of California and be placed in the State Treasury to the credit of the Veterans' Farm and Home Building Fund of 1943, and shall be credited to the successful purchaser upon the purchase price of the bonds bid for in case such purchase price is paid in full by him within the time mutually agreed upon between the successful bidder and the Treasurer. If the purchase price is not so paid, the successful bidder shall have no right in and to said bonds or by reason of said bid, or to the recovery of said deposit accompanying said bid, or to any allowance or credit by reason of such deposit unless it shall appear that the bonds would not be validly issued if delivered to the purchaser in the form and manner proposed. In case the purchase price is not so paid, the bonds so sold but not paid for shall be resold by the State Treasurer upon notice as provided in case of original sale.

Temporary or interim bonds, certificates, or receipts of any denomination whatever and with or without coupons attached thereto, to be signed by the State Treasurer, may be issued and delivered until the definitive bonds are executed and available for delivery. Signature of the State Treasurer may be by signature stamp.

996.31. Due notice of the time and place of sale of all bonds shall be given by said Treasurer by publication in one newspaper published in the City and County of San Francisco and also by publication in one newspaper published in the City of Sacramento and by publication in one newspaper published in the City of Los Angeles once a week during two weeks prior to such sale. In addition to the notice last above provided for, the State Treasurer may give such further notice as he may deem advisable, but the expense and cost of such additional notice shall not exceed the sum of five hundred dollars ($500) for each sale so advertised. The proceeds of the sale of such bonds and such amount as may have been paid as accrued interest thereon shall be forthwith paid over by said Treasurer into the Veterans' Farm and Home Building Fund of 1943 and must be used exclusively in aiding veterans in the acquisition of, or payments for, farms and homes, in accordance with the provisions of this chapter; provided, that the proceeds from the sale of said bonds may be used to pay the debt created by the issuance and sale thereof.

996.32. The Department of Veterans Affairs is authorized, with approval of the Department of Finance, to invest any surplus money in the Veterans' Farm and Home Building Fund of 1943 in bonds or obligations of the United States, or of the State of California, or of the several counties or municipalities or other political subdivisions of the State of California, and to sell such bonds, or obligations, or any of them, at the governing market rates, upon approval of the Department of Finance; or the Department of Veterans Affairs may, with the approval of the Director of Finance, invest money in such fund, in interest-bearing certificates of deposit of state banks having a paid-up capital of five hundred thousand dollars ($500,000) or more; provided, the total amount of money so deposited with any one bank shall not exceed a sum equal to 50 percent of the paid-up capital of such bank; provided, however, nothing herein contained shall inhibit the depositing in banks in accordance with Chapter 4, Part 2, Division 4, Title 2 of the Government Code, of money of any of the funds subject to the control of the Department of Veterans Affairs or appropriated for its use.

Interest accruing upon the deposit of money of the Veterans' Farm and Home Building Fund of 1943 shall be paid into and credited to said fund.

996.33. Upon request of the Department of Veterans Affairs, supported by a statement of the plans and projects of said department with respect thereto, and approved by the Governor, the Veterans' Finance Committee of 1943 shall determine whether or not it is necessary or desirable to issue any bonds authorized under this article in order to carry such plans and projects into execution, and, if so, the amount of bonds then to be issued and sold. Successive issues of bonds may be authorized and sold to carry out said plans and projects progressively, and it shall not be necessary that all the bonds herein authorized to be issued shall be sold at any one time.

996.34. Whenever the Veterans' Finance Committee of 1943 shall have determined that the sale of all or any part of the bonds authorized to be issued under this article is necessary or desirable to carry such plans into execution, in whole or in part, it shall adopt a resolution to this effect. The said resolution shall authorize and direct the State Treasurer to provide for the preparation of the requisite number of suitable bonds then authorized to be sold and shall specify as to such bonds then to be sold:

1. The maximum number of each denomination or denominations, aggregate par value, and the date of the bonds to be then sold. The date appearing on said bonds shall be deemed to be the date of issuance for all purposes of this article, irrespective of the actual date of delivery of such bonds and the payment of the purchase price thereof. Successive issues of bonds herein authorized shall be identified by the number of the issue, or the entire authorized issue may be divided into series or divisions appropriately identified by letter or number.

2. The date or dates of maturity, and the number and numerical sequence of the bonds maturing at each date of maturity, to be at annual intervals.

3. The provisions, if any, for the retirement of said bonds at any time or times prior to their maturity, the manner thereof, and the price or prices at which said bonds shall be redeemed.

4. The annual rate of interest which the bonds to be issued shall bear, to be in multiples of one-fourth of 1 percent, which rate, at the discretion of said committee, may be determined by the bidder at the time of sale of said bonds, not to exceed 5 percent payable as herein provided.

5. The provisions, if any, for the interexchange of bonds of different denominations, the issuance of new bonds of different denominations in lieu of, or in exchange for, bonds of a like aggregate principal amount but of different denominations, and the authentication of any bonds by the State Controller or by any Deputy State Controller.

6. The technical form and language of said bonds and of the interest coupons to be attached thereto.

In determining the date or dates of maturity of the said bonds and the amount of bonds maturing at each date of maturity, the Veterans' Finance Committee of 1943 shall be guided by the amounts and dates of maturity of the revenues estimated to accrue to the Veterans' Farm and Home Building Fund of 1943 from the transactions to be financed by each issue, and shall fix and determine said dates and amounts in such manner that, together with the dates and amounts of interest payments on the said bond issue, they shall coincide, as nearly as practicable, with the dates and amounts of such estimated revenues; provided, the bonds first to mature in each issue shall mature not later than five years and the bonds last to mature in each issue shall mature not later than 45 years from the date of issuance thereof.

The rate of interest to be borne by the bonds need not be uniform for all bonds of the same issue or series or division, and may be determined and fixed by the Veterans' Finance Committee of 1943 by resolution adopted at or after the sale of said bonds, but not exceeding in any case 5 percent per annum payable semiannually. The highest bid received on the sale of the bonds shall be determined by deducting the total amount of the premium bid (if any) from the total amount of interest which the State would be required to pay from the date of the bonds or the last preceding interest payment date, whichever is latest, to the respective maturity dates of the bonds then offered for sale at the coupon rate or rates specified in the bid, and the award shall be made on the basis of the lowest net interest cost to the State. The lowest net interest cost to the State shall be computed on a 360-day year basis. The interest coupon first payable may, if the Veterans' Finance Committee of 1943 shall so determine and specify, be payable at any time within one year after the date of issuance of said bonds.

996.35. All actual and necessary expenses of the Veterans' Finance Committee of 1943 and of the members thereof incurred in the performance of their duties arising out of the provisions of this article and expenses incurred by the State Treasurer in having said bonds prepared and in advertising their sale or their prior redemption shall be paid out of the Veterans' Farm and Home Building Fund of 1943, on Controller's warrant duly drawn for that purpose, and shall constitute expenses of the Department of Veterans Affairs.

Whenever the Veterans' Finance Committee of 1943 deems it advisable to obtain a legal opinion as to the validity of the bonds, prior to or after sale, from attorneys other than the Attorney General, the committee may authorize the State Treasurer or the Department of Veterans Affairs or both to obtain such a legal opinion. Payment for such legal services shall be made from the Veterans' Farm and Home Building Fund of 1943, on Controller's warrant duly drawn for that purpose, and shall constitute expenses of the Department of Veterans Affairs.

996.36. The Controller, the Treasurer and the Veterans' Finance Committee of 1943 shall keep full and particular account and record of all their proceedings under this article, and they shall transmit to the Governor an abstract of all such proceedings thereunder, with an annual report, to be by the Governor laid before the Legislature biennially; and all books and papers pertaining to the matter provided for in this article shall at all times be open to the inspection of any party interested, or the Governor, or the Attorney General, or a committee of either branch of the Legislature, or a joint committee of both, or any citizen of the State.

996.37. So long as any bonds authorized under this article may be outstanding, the Director of the Department of Veterans Affairs shall cause to be made at the close of each fiscal year, a survey of the financial condition of the Division of Farm and Home Purchases, together with a projection of the division's operations, such survey to be made by an independent public accountant of recognized standing. The results of such surveys and projections shall be set forth in written reports and said independent public accountant shall forward copies of said reports to the Director of the Department of Veterans Affairs, the members of the California Veterans Board, and to the members of the Veterans' Finance Committee of 1943. The Division of Farm and Home Purchases shall reimburse said independent public accountant for his services out of any funds which said division may have available on deposit with the Treasurer of the State of California.

Sec. 2. This act shall take effect upon its adoption by the people as to all its provisions except those relating to and necessary for its submission to the people, and for returning, canvassing, and proclaiming the votes, and as to said excepted provisions this act shall take effect immediately.

Sec. 3. This act shall be submitted to the people of the State of California for their ratification at the next general election, to be held in the month of November, 1954, and all ballots at said election shall have printed thereon and in a square thereof, the words: "For the Veterans Bond Act of 1954," and the same square under said words the following in eight-point type: "This act provides for a bond issue of one hundred seventy-five million dollars ($175,000,000) to be used by the Department of Veterans Affairs in assisting California war veterans to acquire farms and homes." In the square immediately below the square containing such words, there shall be printed on said ballot the words, "Against the Veterans Bond Act of 1954," and in the same square immediately below said words, in eight-point type shall be printed "This act provides for a bond issue of one hundred seventy-five million dollars ($175,000,000) to be used by the Department of Veterans Affairs in assisting California war veterans." Opposite the words "For the Veterans Bond Act of 1954" and "Against the Veterans Bond Act of 1954," there shall be left spaces in which the voters may place a cross in the manner required by law to indicate whether they vote for or against said act, and those voting for said act shall do so by placing a cross opposite the words, "For the Veterans Bond Act of 1954" and those voting against the said act shall do so by placing a cross opposite the words "Against the Veterans Bond Act of 1954." Provided, that where the voting of said general election is done by means of voting machines used pursuant to law in such manner as to carry out the intent of this section, such use of such voting machines and the expression of the voters' choice by means thereof, shall be deemed to comply with the provisions of this section. The Governor of this State shall include the submission of this act to the people, as aforesaid, in his proclamation calling for said general election.

Sec. 4. The votes cast for or against this act shall be counted, returned and canvassed and declared in the same manner and subject to the same rules as votes cast for state officers; and if it appear that said act shall have received a majority of all the votes cast for and against it at said election as aforesaid, then the same shall have effect as hereinbefore provided, and shall be irrepealable until the principal and interest of the liabilities herein created shall be paid and discharged, and the Governor shall make proclamation thereof; but if a majority of the votes cast as aforesaid are against this act then the same shall be and become void.

Sec. 5. It shall be the duty of the Secretary of State in accordance with law to have this act published in at least one newspaper in each county, or city and county, if one be published therein, throughout this State, for three months next preceding the general election to be held in the month of November, 1954. The costs of publication shall be paid out of the General Fund, on Controller's warrants duly drawn for that purpose and shall be refunded to the General Fund out of the Veterans' Farm and Home Building Fund of 1943. Said refund shall be made upon Controller's warrants duly drawn against said fund for said purpose upon demands audited by the State Department of Finance.

CHILLY WEATHER

TAHOE CITY—For the first time this summer, the temperature at Tahoe Cty dropped to the freezing point. Sunday morning a cool 32 degrees was registered. Warmer weather is in prospect after a week of cool, clear days, with the temperature going only to 63 Saturday.

Lives In Oakland—

Mrs. Jessie Hale has sold her home at Kings Beach and is now living at Oakland.

On Fishing Trip—

Sergeant and Mrs. Ed Freeman are due home this week following a salmon fishing trip in the Coos Bay region. Freeman heads the Truckee squad of the highway patrol.

FINAL NOTICE
To All Debtors of the Estate of Doctor Joseph B. O'Neill, Deceased

All persons indebted to the Estate of Dr. Joseph B. O'Neill, deceased, for professional services rendered and received during his lifetime, are hereby requested to pay the same within five days after this publication; otherwise, said accounts must be assigned out for collection and suit.

Payment of said bills can be made at the law offices of Francis W. Rochichaud, attorneys for said Estate, Masonic Bldg., Truckee, California, or to Richard Joseph, Administrator for said Estate, at Gateway Motel, Truckee, California.

Quarterly Conference Of Church Scheduled

Dr. Dillon W. Throckmorton, superintendent of the Methodist Church for the Sacramento-Nevada district, wil preside over the first quarterly conference for the new year in Truckee on Monday, August 23. A potluck supper will be served with both members and constituents invited to come. Members and friends are asked to call Mrs. Harry Barnes or the parsonage to let them know whether you will bring a salad, dessert, or main dish.

The Methodist Youth Fellowship will have in place of its regular meeting the Galilean service over on the public beach at Kings Beach. This is not just for the young people as the adults of both churches are asked to share in this special service. Any who have cars and can take some people with them notify Pastor Osman to that effect. The service will begin at 7:30 p.m.

Leaves For South—

Mrs. Orval Vaughan and daughter left by plane Friday for San Pedro where they will join Vaughan, now stationed there with the department of agriculture. He was formerly in charge of the Truckee quarantine station.

Changes Address—

Miss Marilyn Baker has changed her address from Kings Beach to Auburn.

Kings Beach Group Installs New Signs

KINGS BEACH—The Kings Beach Boosters Club, headed by W. E. Gray, is currently active installing deluxe highway bulletin signs on Highways 40, 50 and 395 to encourage motorists to visit North Lake Tahoe. Plans are to install signs to cover the highways from Salt Lake City, San Francisco and down 395.

One sign has been installed just west of Truckee and a second is being placed just east of town on Highway 40. All will be neon lighted.

The work is being done by Lloyd's and Ed T. Neill of Kings Beach.

The Sunday morning service will center around the theme "What the Church Owes You." Pastor Osman suggests that if you are looking for God's help in your life come and share in corporate worship of Him who can help us all.

School Workshop

Continued from Page 1

PERSONNEL LISTED

Personnel for the schools of the district for the 1954-55 school year are as follows:

Donner Trail Elementary School

William Carrico, principal, and teacher of 1st through 6th grades.

Kings Beach Elementary School

Elrose Knudsen, kindergarten and 1st grade.

Kay Wing, 2nd and 3rd grades.

Henry Sams, principal, and teacher of 4th, 5th and 6th grades.

Tahoe Lake Elementary School

Geraldine Bean, kindergarten and 1st grade.

Lillian Farr, 2nd and 3rd grades.

Ruth Roberson, principal and teacher of 4th, 5th and 6th grades.

Truckee Elementary School

Patrician Meddaugh, kindergarten; Ruth Crozen, 1st grade; Helen Trask, 2nd grade; Olia Tiffee, 3rd grade; Alysmae Schultz, 4th grade; Douglas Wilson, 5th grade; Lynn Kishbaugh, principal, and teacher of 6th grade.

Tahoe-Truckee High School

Conrad Briner, vice principal; Core 12 and boys sports; Thelma Finger, dean of girls; Core 9 and testing; George Boyle, industrial arts and mechanical drawing; James Brehler, athletic director, boys' physical education; Gordon Butterfield, Core 7, and ski coach; Norman Dewhurst, Core 11, science and math; Arlene Dunne, Core 8; David Kreiedt, vocal and instrumental music; Robert Madge, arts and crafts; Margaret Muir, business machines, typing, bookkeeping and shorthand; Betty Lou Raker, girls' physical education, and annual; Betty Joe Smith, home economics, biology, and cafeteria planning; Hugh Smith, driver training, speech and dramatics, and math; Charles Redd, Core 10, Spanish, and math; Robert Stewart, Core 10, and math; Stanley Turner, science and math;

Library Staff

Bonnie Costa, assistant librarian.

Health Staff

Charlotte Patnoude, public health nurse.

Office Staff

Margaret Madden, administrative assistant; Dorothy Stice, secretary to superintendent; Helen Armstrong, registrar and secretary to high school principal.

Bus Drivers

Harry Eaton, supervisor of transportation; Olaf Beck, Truckee to Floriston; Carl Christiansen, Kings Beach to Tahoe City; Lincoln Dempsey, Tahoma, Tahoe City to Truckee; Lorrin Ferdinand, Truckee to Summit; Glen Parsons, Cisco to Donner Summit; Erving Water, Kings Beach to high school.

Custodians

Jacob R. Stuart, custodian-engineer, Tahoe-Truckee District; Elwood Buehler, Truckee Elementary School; Carl Christiansen, Kings Beach Elementary School; Glen Parsons, Donner Trail Elementary School; Mel Throop, Tahoe-Truckee High School; Harry Savage, Tahoe-Truckee High School; George Tiffee, Tahoe Lake Elementary School.

Cooks

Ivan Bean, Tahoe Lake Elementary School; Muriel Frey, Truckee Elementary School; Miriam Zwarg, Tahoe-Truckee High School.

Tarzan

by EDGAR RICE BURROUGHS

TARZAN, STERLING SHEA AND GEORGIE FEARONS WERE CAPTURED BY A TRIBE OF LAKE DWELLERS. "YOU HAVE BEEN SELECTED," SAID ONE, "AS AN OFFERING TO THE MONSTER-IN-SEA."

THE GROUP NOW STOOD ON A PRECIPICE, GAZED INTO OMINOUS WATERS. "THE MONSTER'S LAIR--" WHISPERED A TREMBLING NATIVE.

THEY PROCEEDED INTO A MYSTERY-SHROUDED VILLAGE AND WERE CONFINED TO GLOOMY QUARTERS..

THE SPOKESMAN SUMMONED A MESSENGER, "INFORM THE WHITE GOD OF OUR CAPTIVES--HE MUST DECIDE THE TIME FOR SACRIFICE!"

AFTER A FEW MOMENTS, THE MESSENGER RETURNED WITH HIS REPORT. "WE GO--THE GREAT ONE WISHES THEIR PRESENCE."

THE MEN WERE IMMEDIATELY USHERED INTO THE ROYAL HUT. "WELCOME, SUCKERS!" SOUNDED A FAMILIAR, TAUNTING VOICE. STERLING SHEA GASPED, "UNCLE BERNARD!"

YEAH—OPEN 'EM UP... NOBODY'S LOOKIN'

O.K.

SHHH! HERE COMES BATHLESS.

O.K., BOYS, KID NATURAL'S READY T' LOOSEN UP THEM MARVELOUS GOLFIN' MUSCLES.

ALL SET, BATHLESS, YOU FAIRWAYS GENIUS, YOU.

WHAT FAULTLESS FORM ...WHAT PERFECTION!

IT'S JUST (GASP) PAST THE THREE-HUNDRED-YARD MARKER AND IT'S STILL SAILING!

TELL ME, PALS—WHAT'S THE LOWEST SCORE ANYBODY EVER GETS IN THIS GAME'?

SIXTY-FOUR'S CONSIDERED PRETTY GOOD, FRIEND!

YOU MEANS THEY TAKES MORE'N ONE SLUG O' THE BALL T' GET T' THE PIN?

CURLY KAYOE

by SAM LEFF-

THIS CABLEGRAM JUST CAME FOR YOU, CURLY!

OPEN IT AND SEE WHAT IT SAYS, HAPPY!

IT'S FROM PEPITO DIABLO! HE'S ON HIS WAY UP FROM SOUTH AMERICA!

PEPITO'S A DAFFY GUY- BUT I LIKE HIM. I'LL MEET HIM AT THE AIRPORT!

SALUDOS, AMIGO!!

HI, PEPITO- WHAT'S THIS ALL ABOUT?

I RAN A BEAUTY CONTEST TO PROMOTE MY COFFEE PLANTATION. THE WEENER WON A DAY EEN NEW YORKS WEETH THE HEAVYWEIGHT CHOMPEEN!

HEY! WHY DIDN'T YOU ASK ME FIRST? I WON'T DO IT, PEPITO!

THAT'S FINAL! SORRY, PAL!

PLEASE- I BEG YOU! MY GOOD NAME EES AT STAKES!

ON SECOND THOUGHT- IF SHE WON A CONTEST SHE MUST BE VERY PRETTY! O.K., PEPITO- I'LL DO IT...

SHE WEEL BE COMING OUT OF THE PLANE NOW.

AH! THERE YOU ARE, SENOR KAYOE!

LOOK FOR YOURSELF, AMIGO! SHE EES A LEEVING DOLL!

SHE MAY BE A DOLL- BUT I'M LEAVING!
